**DIRECTIONS BACK TO WINTER PARK RESORT FROM THE FINISH**

At the end of the campground road, turn right. Follow about 3 miles to Fraser. After you come out of the forest and into the meadow but just before you get into the residential neighborhood, turn right onto Fraser Parkway. At the end of Fraser Parkway, turn left and under the railroad tracks. Turn right at the light onto the bike path. Follow the bike path into Winter Park. In Winter Park, the bike path crosses to the other side of the road at the McDonalds. Continue on the bike path to its end in old town Winter Park. You'll see the resort just ahead.
